"I've had a good life here. I think it has been great. We've got a great town. People are nice and friendly. I've been to big cities and visited big cities, I'd take a small town, Edwards County any day."

EMILY WHITE

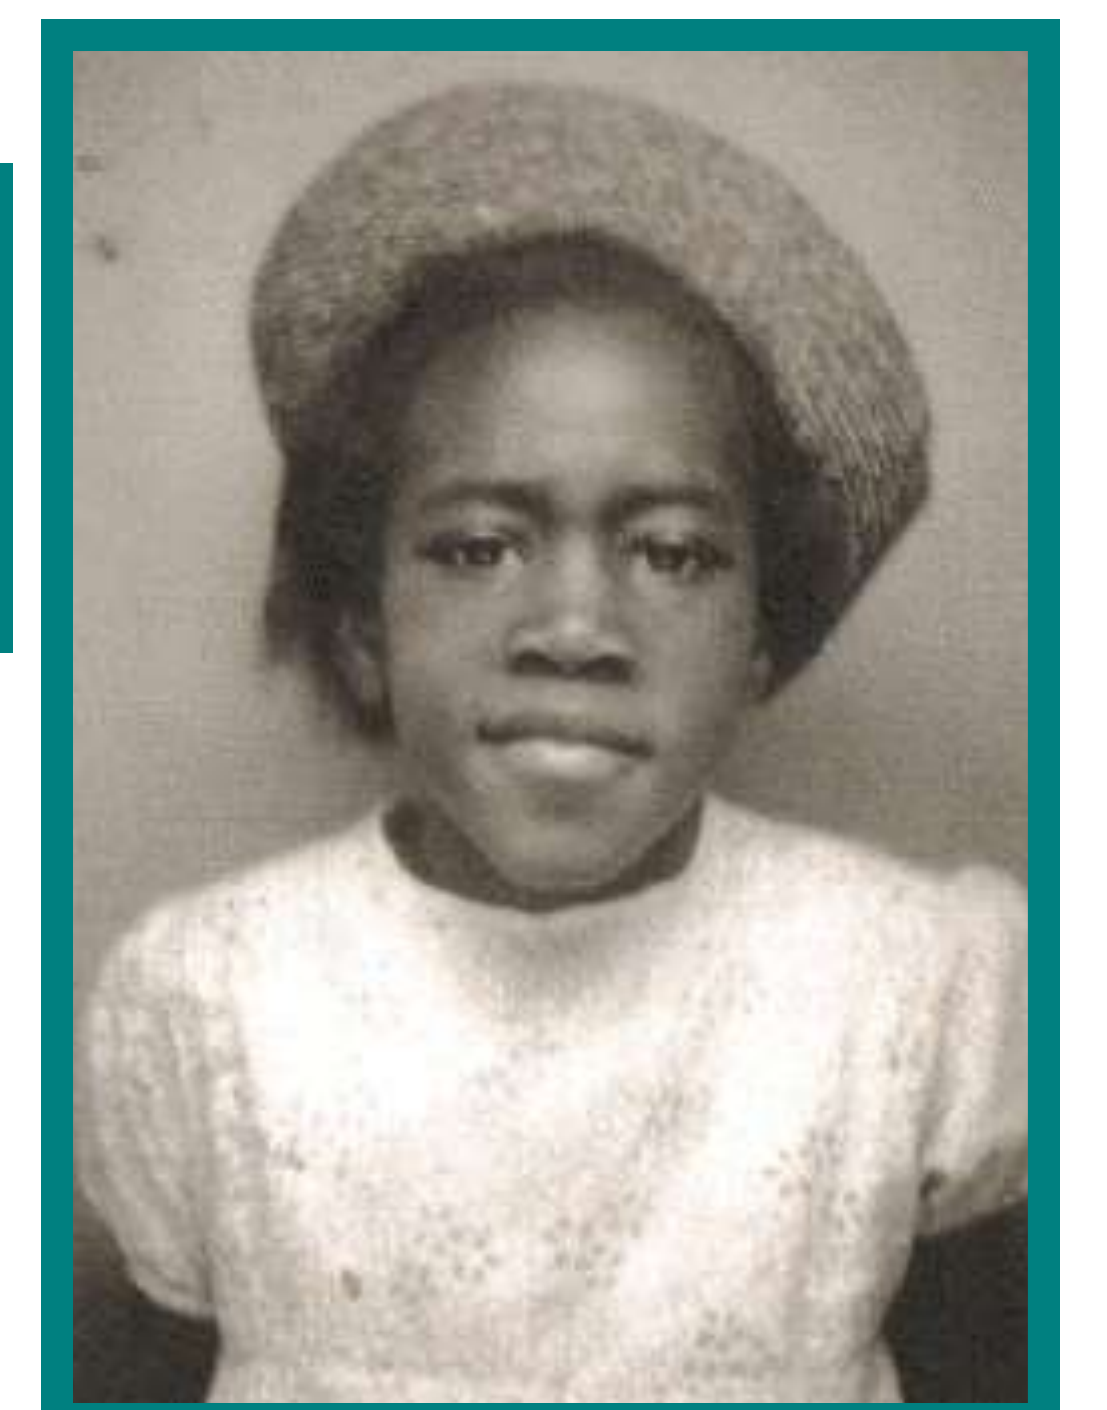

"My grandfather and grandmother came out here, and they established the farm. They survived. My dad and mom survived, and we have too. I think it's a pretty good place to live. We've always had wonderful neighbors. It is a good place to raise children."
