PREFACE

The marriage records, those with file numbers, contained in this booklet were taken from the Internet and converted to WordPerfect by Ed Carlson in order to produce a fully indexed reference source for the Kinsley Public Library. Any information contained within [] was added from other local history research. The marriage notices from the local newspapers, of the time, were added in order fill in the gaps contained within the extant records located at the Edwards County Courthouse.

Due to large number of entries for Edwards and Kinsley, they were not included in the Index. Please be aware there may be individuals with the surname of Edwards that are not indexed.

The following notes appear on the Internet home page for the numbered marriage records:

These marriage records were copied in 1966 by Mrs. George F. Miller and Miss Gracia Carroll of Kinsley, Kansas and Mrs. Dallas Bowman of Lewis, Kansas. They were typed and indexed by Ovie B. Sypher of Greensburg, Kansas.

These Marriage Records are kept in packets or jackets, which are numbered. The first one is No. 1680 - the year of 1877. The next one begins with No. 1704 - the year of 1879. Sincere appreciation is acknowledged by the copyists to the Probate Judge of Edwards County, who so graciously allowed these records to be copied.

The Ringing of the Marriage Bells.

Tuesday evening, by eight o'clock, found the Congregational Church occupied by invited guests, to witness the marriage of **R.E. Edwards** and **Miss L. Edwards**. The church was tastefully decorated with evergreen, and the initials of the groom and bride in white, and the initials of the groom and bride in white. These decorations hung midway the church on either side, while directly in front of the altar was a covering of white, beautifully trimmed with calla lilies. A rich Brussels carpet extending from the altar to the folding doors of the church had been laid.

The ushers, **Mr. Andy King** and **Mr. Andy Erwin**, a few minutes past nine o'clock, opened the folding doors to admit the bridal party, who slowly advanced to the altar. **E.A.E. Noble** and **Miss Florence Bidwell**, **Mr. J.B. Sellers** and **Miss Stella Nichols**, **Mr. John Marsh** and **Miss Susie Bidwell**, formed on the right and left of the altar. The groom was accompanied by **Mrs. C.C. Sellers**, the mother of the bride, passed before the altar, while the bride,

"With grace in all her steps, heaven in her eye,
in every gesture, dignity and love,"

slowly advanced, leaning on her father's arm, and took her place beside the groom.

"That softer fell
Than petals blown roses,
Or night dews on still waters,"
